GOV. FURCOLO PROMISES ACTION ON SHAWSHEEN BRIDGE REPAIRS

Governor Foster Furcolo promised yesterday to look into the situation of the Shawsheen Ave. Bridge immediately and to see what action can be taken.

Representative Thomas Donohue, Chairman of the Board of Selectmen Frank Hagerty and Town Democratic Committee Chairman James McLaughlin conferred with Governor Furcolo yesterday in his office as an aftermath to the most recent communique from the B and M RR.

The letter, dated March 27, was termed a "bunch of lies" by Selectman Nicholas DeFelice and a "complete hypocrisy" by Mr. Hagerty. The Selectmen claim that the RR has misinterpreted the understanding reached by representatives of both sides and is stalling rather than repair the bridge which has been impassable for months.

Mr. DeFelice also accused the DPU and the DPW of not taking proper action to see that the repairs are made to the bridge. However, Mr. Hagerty placed the blame with the RR.

Representative Donohue had assured the Selectmen that he will keep in touch with the Governor and report on what progress is being made.

The latest letter follows:

Dear Mr. Hagerty:

Your letter of March 17, 1958 to Mr. Prior of our Law Department regarding the bridge carrying Shawsheen Avenue over the tracks of the Boston and Maine Railroad in the Town of Wilmington has been referred to us.

We appreciate receipt of this letter as it is the first formal indication from the Town that it is cognizant of the problem involved and desires to cooperate in the matter.

I regret that the proposal outlined in your letter does not appear to give adequate protection against serious or dangerous overloading of the structure.

As a practical matter, signs at the ends of the bridge are not a solution.

For traffic moving north and west on Route 129 when stopped by such signs (if they stopped) would be partly off Route 38 on a steep ascending grade. Necessary maneuvering to resume northbound travel on Route 38 would certainly present a serious traffic hazard.

For traffic moving south and east on Route 129 the situation would be even more of a problem. They would be stopped (if they stopped) some 3.8 miles from the junction of the Billerica-Tewksbury Road (Andover and Chandler Streets) the only practical detour route with an adequate bridge over the tracks. They would be some 0.4 miles from the nearest detour route with a relatively light bridge and poor approaches.

In our opinion such traffic would cross the bridge with consequent serious and dangerous overloading. An attempt to back track to either of these would be difficult and would involve some traffic hazards.

In our opinion in order to afford adequate assurance against overloading, it is essential to establish a detour route with advance signs so that operators of loads in excess of 6 Tons can use the detour route before getting into the difficulties outlined above.

This has been discussed at the various meetings with Town Manager, Town Counsel, and representatives of the Department of Public Works since our first meeting with Town Manager and Town Counsel on December 20, 1957.

At a meeting on December 27, 1957 with the Town Manager and representatives of the Department of Public Works, the Department stated they were prepared to cooperate with the Town in working out and authorizing such a detour route. It is our understanding that the Town has done nothing to develop this matter further.

The final solution to the problem is of course to have a bridge of adequate capacity to carry Route 129 over the railroad. This cannot be done at the present location. The Department of Public Works has expressed some interest in developing such a solution. It would require several years to develop and complete.

I regret that we must refuse to proceed with restoration until more adequate protection is assured for the reasons outlined above.

We will be pleased to furnish any assistance we can in effecting such assurance and stand ready to confer with you at any time.

Very truly yours,
S. G. Phillips
Vice President-Engineering

PTA OBJECTS TO SCHOOL COMMITTEE MANAGEMENT OF SCHOOL PROPERTY

A copy of a letter from the PTA addressed to the School Committee, accusing the committee of "hasty action" in charging only janitor's fees for a piano recital at the high school auditorium, was received by the Selectmen Monday evening.

The letter was discussed at the meeting of the School Committee held at the Wildwood Club meeting last Monday evening. At that time school committee member Arthur Lynch said that the committee considered the recital a cultural event and as such was a benefit to the children of the town.

The PTA was of the opinion that the piano teacher's business would be benefitted by the recital, and therefore a charge should be made for the use of the auditorium. The Selectmen agreed with this view and arranged to notify the School Committee that they will meet with the committee on April 16 to discuss the matter. Selectmen DeFelice intimated that the Selectmen were responsible for school maintenance and therefore should see that money was not being squandered by such waste of heat and lights

The original letter, which set off the chain of events follows:

Gentlemen:

It has come to the attention of the Wilmington PTA that at the March 19 meeting it was voted to allow the Herbert Barrow's Auditorium to be used on a no charge basis (other that the customary $5 janitor's fee) by an individual to further a private business enterprise.

We understand that this in no way can be considered a public school activity or of civic or religious value.

In connection with this, our group questioned the PTA executive board other citizens and Town officials. The answer was unanimous against starting a precedent which would lead to the taxpayer subsidizing, in a sense, any number of private teaching businesses or others by having to pay for lights, heat and depreciation of the school property.

We certainly feel the School Committee acted in haste by voting for the request and respectfully ask that the question be reconsidered and a set of rules and regulations be established to govern this matter in the future.

PTA Benefit Ball

This year he proceeds from the annual PTA Spring Dance, Saturday May 10 will be used to purchase TV sets for the schools of Wilmington. The TV sets will be used in conjunction with the Educational TV Programs now being offered to the schools through WGBH-TV Channel 2. Eventually there will be a set in every classroom in the school system. The scientific and cultural enrichment to the school curricula through this medium is unlimited.

If the proceeds from the dance exceed last years several sets should be possible. Any excess will be placed in the teaching scholarship fund. A teaching scholarship will be awarded again this year to some deserving high school graduate using extra funds from the past year.

Aside from the excellent purposes set forth this dance promises to surpass last years in every respect. The most outstanding feature will be the unusual decorations from the Junior Senior prom to be held the night before. Other special attractions will be announced in this paper in the near future.

Tickets may be purchased from any PTA representative or committee member.

Attempted Break At Jim's Variety Store

On March 26 at 12:50 am Sgt. Sidelinker and Officer Langone sped to Jim's Variety Store on Shawsheen Ave., when neighbors reported the burgler alarm was sounding.

Mr. DiCampo Elected President Of Wildwood Club

Mr. Al DiCampo was elected president of the Wildwood Club at the last meeting of the current year. Other officers elected were: Mr. Edwin Desmarias, Vice President; Mrs. Robert LeClerc, Secretary and Mr. Harold Hall, Treasurer.

The installing officer was Mrs. Lawrence Cunning, past president of the club.

The project committee recomended buying a record player and film strips for this years gift to the school. This recommendation was approved.

Mrs. George Roberti, retiring president gave her report for the year in which she sighted the progress of the club through the parent-teacher conferences and the programming.

The retiring officers received a fitting acknowledgement of the fine job done by them.

Mr. DiCampo in a brief acceptance speech expressed the hope that the coming year would continue the progress so well initiated by Mrs. Roberti and her staff.

The meeting was turned over to the School Committee at which time they presented their regularly bi-monthly meeting. Present were: Mr. Dudley Buck, Chairman, Edward Paige, Arthur Lynch, Henry Sullivan, John Hartnett and Superintendent of Schools, John Collins. Copies of the adgenda were passed out so that the audience might follow the proceedings more carefully. The committee emphasized the fact that the public would be made welcome at all their meetings and hoped that more people would avail themselves of the opportunity to get a better working knowledge of their operations.

Car Stolen From Rear of Church St. Hardware Store

At 9:30 am on March 26, Wallis Irus of Woburn St., Andover reported to Officer Ritchie that his vehicle had been stolen from the rear of the Church St. Hardware Store. Officer Ritchie received the complaint.

Mr. Irus' car was recovered on March 27 in Billerica.

Easter Sunday Services In Methodist Church

Easter will begin at the Wilmington Methodist Church with the annual Sunrise Service at 6:30 am. This service of worship will be followed by the annual Family Breakfast, sponsored by the Senior MYF. This group will serve the breakfast and will be assisted by members of the Methodist Men's Club, who will do the cooking. These men are Fred Seddon, Bill Russell, Art MacMelville, Gordon Reardon, and Jack Randall. At 9:15 and 11 am, the regular services of worship will be held. At this time, Rev. Richard Harding will conclude his series of of sermons based on the Apostles' Creed, by preaching on the topic, "I Believe in Life Everlasting." The Senior Choir, under the direction of Mrs. W. T. Stavely, will sing, "By Early Morning Light" as the Introit, and "The Legend of The Garden" for the anthem, and "O Death, Where Is Thy Sting?" as the offertory anthem. The choir will sing at both services.

Families are invited to worship together with provisions for a Nursery Class for pre-school children in the downstairs vestry, for both services.

Attention is called to the fact that as many cars as possible should be parked on the parking lot at the rear of the church. This is to avoid unnecessary congestion on Church Street.

Persons, who desire, may view the new church at the conclusion of either service.

MISSIOARY FROM CEYLON TO SPEAK AT L. B. S. LUNCHEON

The annual Spring Luncheon of the LBS, sponsored by the Missionary Committee of which Mrs. Lois Welch is chairman, will be held in the vestry of the Congregational Church on Wednesday, April 9, at 12:15 pm. Tickets may be obtained at the door.

In the afternoon the women of the church will have the great opportunity of hearing an unusual missionary, Miss Lucy Kendall Clark, who has recently returned to this country after forty years spent in Ceylon. She will tell of her experiences in that country, where her special interest was in the Uduvil School, the oldest boarding school for girls in the Orient.

The women of the Congregational Church have had a personal concern for Miss Clark, as a result of the religious literature and cards which they have sent for her use in the field, and they have received from her many letters of appreciation while she was in Ceylon.

Miss Clark was educated at Buffalo Normal School, the Kennedy School of Missions in Hartford, and received a B. S. at Columbia University.

TROOP 60 ENJOYS CAMPING TRIP

Members of Troop 60 of North Wilmington enjoyed the first camping trip of the season last weekend. The boys met at the North School at 5 on Friday and hiked to Camp Forty Acres where they enjoyed "roughing it" until Sunday morning.

The boys cooked their own meals over the open fires and did a little "clean up"-work around the camp making it ready for a busy season.

Scout Master Charles Ellis accompanied the boys on their trip.

SELECTMEN'S NOTES

Millard Pipes of Chestnut St. met with Selectmen Monday evening to discuss his license to operate a gravel pit on his property. The license was granted, subject to the usual regulations.

A Mr. Anderson was informed that he would have to apply to the Board of Appeals for permission to sell loam, whether in or out of town.

Nicholas DeFelice notified the board that he had chased various trucks last Sunday hauling loam from the Avco property. Mr. DeFelice said that some of the trucks went out of town. The Selectmen will investigate as no permit had been granted.

Charles Black complained about the condition of Wilmington Square. Plans were made to see that it is cleaned soon.

Mr. Black also reported that he has had a number of complaints made to him regarding horses on Church St. and Middlesex Ave. The planting strips are once again being torn up to the annoyance of residents of the area. Mr. DeFelice suggested a by-law be asked at the next Town Meeting prohibiting horses from using sidewalks and planting strips.

A drainage problem on Brentwood Ave., in front of the home of Paul Metcalf was discussed. The acting town manager, Alfred Calabrese, was instructed to investigate.

A complaint from Mr. McCue, who lives on the corner of Beacon and Church Sts., about the water hole near his home was discussed. No solution was reached.

Arrangements were made to repair damage done a lawn on Woburn St. by a snow plow.

Chairman Frank Hagerty suggested that town employees be allowed to leave work at 11:30 am on Good Friday.

Mr. Haggerty also suggested that plans be made to fix up the front of the Town Hall, with particular attention being paid to painting at least the front of the hall, and repairing of the stairs.

Mr. Calabrese informed the Board that he would be ready to go out to bid on various pieces of equipment authorized at the Town Meeting.

He also stated that the new "Invitation to the Town of Wilmington" will be ready for the printer in the near future.

The meeting went into executive session at 10:15 and adjourned at 10:45.

THE WFA HI-LITES
by Fred Kleynen

Last month's meeting saw a large crowd of the members present and the membership cards to the Mass. Fireman's Asso. were passed out by secretary-treasurer, James Mann.

One of the important motions of the evening was the article concerning the disposition of the old engine 2. The horse drawn tub. At this time it was voted to restore it to good condition and keep it in our possession as an antique to be used for display at parades and like functions.

Some may not realize it, but from good sources, I have found that there are only three of this type engine left in existance. One is out in the mid-west, one in Washington D. C. and we have the third one.

The banquet committee has reported progress and the plans are well underway for some time next month as far as is known.

The ladder trucks specs. are in the hands of the town hall I understand. They are in the process of being checked over by the board of selectmen and it is now up to them to put out the bid for it.

The raise granted us by the townspeople went into effect this past week.... thanks.

The boys are singing that popular song "Green Door" these days and you can see why due to the coat of paint on the doors of the station. This was applied during the past couple of weeks. A new look for fire stations, don't you think? Green doors and window frames.

Tuesday, April 1, President Dewhurst states was the regular meeting of the association.

Spring is here at last and time again to caution you about outside fires.

Until next week,
Your Friendly Firefighter

"The Lord is my light and my salvation; whom shall I fear? The Lord *is* the strength of my life; of whom shall I be afraid?"

Find the strength for your life...

WORSHIP TOGETHER THIS WEEK

"I have never known a man to have faith in himself," goes an American adage, "unless he *first* has faith in God."

It takes such courage to face life . . . greater courage than any of us has alone. It takes such strength to accept success humbly, to overcome setbacks . . . greater strength than any of us has alone.

And yet the world is full of unacclaimed heroes and heroines . . . men and women who have, in the course of their lives, faced seemingly insurmountable obstacles and griefs. Faced them, and conquered them. If they were the kind of people who *talked* about themselves, they'd tell you . . . "I never could have done it without the help of God."

The strong Faith they called on to help them can be yours. Build such a Faith for yourself. Make it the firm foundation of your family's security and happiness. Begin this week to worship together at your Church or Synagogue. *There* you'll find the strength for your life.

THE LIONS ROAR

The Andover Dance is just around the corner now (April 11) and from all reports it should be a grand ball (as usual). The tickets are being sold fast and if by chance you haven't got yours, I may suggest you contact one of the Lions members for tickets. Dial any of the following numbers: 8-3341, 8-3346, 8-4534, 8-2093 or 8-3467.

Jack Hennessey has been engaged for the music and and all in all with the buffet which is being planned it should be an evening well worth the price of $5.50 per couple. For the ball of your life, make it the Lions Ball.

The clothing for the middle east project drive fas a success and this club reached at least of the quota set for it. The committee wishes to extend a vote of thanks to all who helped to reach even this goal.

Rumor has it that Rep. District Governor, Carl Rosseliar of Woburn is scheduled to visit us around the end of April. Carl is a candidate for District Governor from the Swampscott Convention. More on this later.

The entertainment committee is attempting to secure the film put out in connection with the eye bank program and has hopes to fullfill this mission during the month of April.

Well, guess I will say so long for now and until next week remember: For the ball of your life, make it the Lion's Ball.
